

WELCOME TO HUNTSVILLE HEALTH CARE CENTER

WHAT TO EXPECT

Full Nursing Assessment

Upon arrival you will receive a complete medical assessment and medication will be ordered. Our staff will check on you frequently to be sure your needs are being met.

Therapy Evaluation

Our therapy team will see you within 24 hours of admission to begin crafting a personalized Plan of Care. Our goal is to help you get stronger every day so that you can get back to being your best you!

Safety Net

Due to COVID - 19 regulations you will be provided a private room for 14 days of isolation upon admission. All of our staff members will be wearing face masks, face/ eye shields and a protective gown when in your room. While this may seem impersonal, we assure you our team members are caring and friendly. This is an extra precaution to help ensure your safety and the safety of others.

Dining Services

Your preferences matter! Meals and snacks are provided and there is an alternative menu posted in your room. If you're unhappy please reach out to our Dietary Manager.

Interdisciplinary Team

A member of our management team will act as your liaison to ensure your questions and concerns are addressed promptly. Our team will work with you and your family to begin planning a safe discharge home or to your next level of care within 72 hours of admission. Please reach out to us at any time during your stay.

Covid - 19

We have implemented safeguards per recommendations and mandates. We are working hard to keep everyone safe. Our team and residents at Huntsville Health Care have been offered the vaccine.
